Council on Higher Education (CHE) and the South African Qualifications Authority (SAQA), to align all qualifications with the Higher Education Qualification Sub Framework (HEQSF). The NWU is thus currently in an ongoing process of aligning our qualification and programme offering with the requirements of the HEQSF. Prospective students  
must take notice of the fact that NWU qualification names, programme names as well as the composition of curricula may change due to the HEQSF Project, prior to registration for the 2018 academic year. Successful candidates are advised to contact the relevant faculty in order to ensure that they register for the correct qualification, programme  
and /or curriculum.
